

## 2004 Prophetic Word for the Baltics by David Wilkerson

Below is a transcript from a conference held 2004 in Tallinn, Estonia. It contains a prophecy for the Baltic nations. We believe that we have seen the initial beginnings of this word being fulfilled but that there is more to come. Let this word encourage your faith as you pray for a release of all that God desires for these nations. May a fountain of praise arise to our God!

“We have been invited to go to Estonia and Latvia; we have been invited to go to Lithuania. And there is something that has been burning in our hearts for these three countries. Last night I have had an experience with the Lord. You must understand I have never once claimed to be a prophet. I am one of many many watchmen. But occasionally the Holy Spirit will move upon me to give a prophetic word. And last night I was praying about what God has instore for Estonia, Latvia, and Lithuania. Now we know you love your country. But from the United States and other parts of the world very few know of these nations. Other than what they read in the newspaper. Often they are considered one entity, one united people. They share a history of suffering. This great hunger for God to move.

I was praying, Lord, I am from America. As I was praying last night I said to God. If you want to prophesy to this country, you should raise up someone from this country. But I could not get away from something that God laid on my heart. I came back to it all day today. There is nothing unusual or spectacular that I am going to share with you. This is not going to take a long time. But before we leave your country, I believe I have a word for you from the Lord for you. Isaiah 61.

**Let's pray.** *Holy Spirit I am asking you now to reveal your heart. I am sure you love this nation and all the nations surrounding it. John the baptist said I am just a voice in the wilderness. I am just a voice tonight. Lord touch that voice, purify, sanctify that voice, that I may speak the mind of the Lord. Give us ears to hear what you are saying. Oh God, let faith arise in the heart of these people and every congregation represented, every ministry represented and now Lord I believe you spoke this word to my heart, take it now. Put it in our hearts, Amen*

This is not something that I pulled out of the air. I am not standing just here telling you something that I think is going to happen. Any true prophetic word has to be word for word, line upon line upon according to the scripture. I will read one verse and my brother will read another. I will comment as we come down through the chapter. We will read the whole chapter.

**Isa. 61:1** - *The Spirit of the Lord God is upon me, Because the Lord has anointed Me To preach good tidings to the poor; He has sent Me to heal the brokenhearted, To proclaim liberty to the captives, And the opening of the prison to those who are bound;*

The Spirit of the Sovereign Lord is upon me, for the Lord has anointed me to bring good news to the poor. He has sent me to comfort the brokenhearted and to proclaim that the captives will be released and prisoners will be freed. This is speaking of Jesus Christ.

Everything in this chapter has to be numbered from the cross until today. Jesus said to bind up the broken heart and proclaim freedom (liberty) to the captives. In this chapter, it was used by other nations, when they were founded by Godly men. When the puritans fled persecution in England, they came to what is now called America. The American fathers used some of this text in the 61st chapter in the book of Isaiah. Almost every prophecy in the Old Testament is a dual prophecy. It spoke to ancient Israel and it speaks to spiritual Israel. The Bible says that Jerusalem is the mother of us all. There was a natural Zion and there is a spiritual Zion. The church of Jesus Christ is the spiritual Zion. I don't disclaim that for the Jews. But primarily in the New Testament, Zion refers to the New Testament church.

***Isa 61:2 - To proclaim the acceptable year of the Lord, And the day of vengeance of our God; To comfort all who mourn.***

He has sent me to tell those who mourn that the time of the Lord's favor has come, and with it, the day of God's anger against their enemies. There was a time that God makes a proclamation. This is my accepted time for God to move. There comes a time when God says I am going to take vengeance on all that history has pushed upon you. There comes a time that God determines that He is going to bring joy and happiness to those who mourn. God has directed it is this time, a time that God has declared, that this is an acceptable time, my time to take vengeance upon all the damage done by history. The communists, all the nations that came before, every man every country that has come to plunder, to ruin, to destroy. Every tear shed by every Christian all through those years. Every tear that fell to the ground He bottled those tears. God declared years ago. This is what He had to say, In My time, My acceptable time - I will comfort my church.

***Isa. 61:3 -To console those who mourn in Zion, To give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; That they may be called trees of righteousness, The planting of the Lord, that He may be glorified.***

The acceptable day of the Lord is dawning, it has already begun. I believe it with all my heart. I can see it in the hunger. You can sense it even on the streets and walking in the Spirit. God said I am going to move, not because you deserve it. Thank you for your prayers. Thank you for your tears. But my name will not be mocked. I will rise up to defend my name. I am going to move. I am going to bring down the strongholds of Satan for the glory of my own namesake. In spite of what governments do, despite of what the EU does, despite all legislation, for the last section of time. No supreme court can stop the eternal purpose of God. He said you have had enough ashes. I am going to give you beauty for those ashes. You have had long enough mourning. I am going to bring out the joy. I am going to give you a garment of praise. To them that believe, a lot of this country a lot of Latvia, a lot of Lithuania. It is going to be one of the greatest praises that came from any land. It is going to be a fountain of praise. In the Time Square church we prayed, God give us open altars. In other words, make it easy for people to come to Christ. God heard that cry, it was a time for New York. There has never been a service, without people being saved. Why? They are lined up all the way back to the lobby. They came every Sunday. Why? Because God heard that cry. I am telling you now. He is going to open praise, Methodist, Baptist, Pentecostals, there is going to be a shout of praise that God is supernaturally going to open up. He says it is going

to be the planting of the Lord. No man will shine, there will be no big stars, It's just going to be the glory of God, a sovereign act of the Holy Spirit, because the accepted time has come, hallelujah.

**Isa. 61:4** -*And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations.*

I said Lord what does that mean? In every place where there has been a church. I don't care if it has been 300 years ago. Anywhere where there was a body, seeking God, crying out to God. He will raise up another ministry. The Lord showed me something. There will be empty churches sitting there now, deserted buildings. Laying in ruins, God is going to open up the doors. And a new generation is coming up. A new man of faith, and they are going to rebuild the old waste. In the former desolation, in every city, every town, there is a witness. Where the tears have fallen on the ground. God is going to bear fruit. The fruit is going to spring up. That seed has been laying in the ground. It hasn't died. The seed of God never does. It never falters. Godly men and women, mothers of Zion, dead long ago, but their prayers are still going to God, their prayers are still being answered. God is going to move. Where you could never believe it could happen. In the hardest places. Where the enemy has brought ruin and destruction. Just as sure as God took the theater in New York city, our church is where Jesus Christ Super Star played. 2 years among Jesus and the Lord said you are going to watch me turn this place into a church. And the drug addicted boy who played Jesus. He was so stoned on drugs the whole 2 yrs. when he was playing Jesus. Got saved and filled with the Holy Ghost. He came and dedicated the church to Jesus. God took those ruins and turned it into a house of glory. Everything that was once ruined by communism and even beyond communism, secularism. God says out of those ruins I will build my church.

**Isa 61:5** - *And strangers shall stand and feed your flocks, and the sons of the alien shall be your plowmen and your vinedressers.*

It will be God's work. This is so good. Who are the strangers? Who are the aliens? God says it is we who are strangers, we are aliens. And we have been reconciled. We have been restored. We are going to feed your flocks, plow your ground, care for the vines. They are still on the streets. There are strangers not even saved. Save them. Sanctify them. They are going to plow your fields. There are going to be preachers like Nicky Cruz. He is doing it in the United States, He is doing it around the world, He is doing it here. You are going to have a whole host of new pastors, evangelists. Where did they come from? They were strangers, They were aliens. God restored you. You were strangers and I called you and I am going to do it again!

**Isa. 61:6** - *But ye shall be named the Priest of the Lord: men shall call you the Ministers of our God: ye shall eat the riches of the Gentiles, and in the glory shall ye boast yourselves.*

You are not going to be called Methodist, Baptist, or Pentecostals. We are stuck with those names. But in the Spirit, God is going to call you by one name, Priests of the Lord. The Pentecostal is not going to say to the Baptist or the Methodist, I have more Holy Ghost than

you or have something that you don't. The issue is going to be Jesus. There is going to be unity in the Holy Spirit. There is a greater unity in these 3 countries, than we have witnessed anywhere in the world. You are called the Priest of the Lord. I didn't tell you to quit talking in tongues. It is going to be the beautiful unity that runs like oil down over the head. You are going to eat the riches of the gentiles. That is what the English Bible says. What is the message, that is where the revelation of Jesus Christ falls in. For years you have heard about God moving in the United States. You hear the richness of some of the gospel. And you read about in South America great revivals. That 50% of the population is evangelical. And those are the riches of the gentiles. That is what the Bible says, but you are going to eat the riches of the gentiles. The time has come to South America, to those who visit your country and will write back home that God is moving, God is stirring. You have to go there to see what God is doing.

**Isa. 61:7** - *For your shame ye shall have double; and for confusion they shall rejoice in their portion: therefore in their land they shall possess the double: everlasting joy shall be unto them.*

Verse 7, now here is the heart of what I feel like God wants me to say. Because of the past shame, because of communism and other past oppressions. All that you have been through, God said at this accepted time, listen to it, you get a double portion. For your shame you shall get double and for your confusion they shall rejoice in their portion: therefore in their land they shall possess the double: everlasting joy shall be unto them.

**Isa. 61:9** - *And their seed shall be known among the Gentiles, and their offspring among the people: all that see them shall acknowledge them, that they are the seed which the Lord hath blessed.*

The time has come. If we will begin to see His face, God said, this would be His holy seed, known around the world. This is my offspring. These are my seed. This is the people that the Lord has blessed.

**Isa. 61:10** - *I will greatly rejoice in the Lord, my soul shall be joyful in my God for he hath clothed me with the garments of salvation, he hath covered me with the robe of righteousness, as a bridegroom decketh himself with ornaments, and as a bride adorneth herself with her jewels.*

A people who are greatly rejoicing. Clothed with the garments of salvation. And notice what happens to the Bride. The church of Jesus Christ is the bride of Christ. And she is going to put on her jewels, Who are the jewels? The precious souls, the harvest. And this bride is coming forth, out of these lands are going to have jewels. Treasures, great jewels. The worst sinners in the land, the worst alcoholics, those who are so bound by hell, are going to shine as jewels. The body of Jesus Christ.

**Isa. 61:11** - *For as the earth bringeth forth her bud, and the garden causeth the things that are sown in it to spring forth; so the Lord God will cause righteousness and praise to spring forth before all the nations.*

Just as sure as when you plant seed it is going to come forth, God said the seed has been planted. That much fresh seed will be planted. The Lord is going to cause righteousness and praise to spring forth before all the nations. I pray, that should I live another 8 or 10 years. I hope to be in glory by then. If I should still be alive and if I was invited to come back and I believe this with everything in my heart. If I started in Lithuania and Gary is with me. If we were invited we would have 15,000 new christians, starting churches all over, new churches. It has to be outdoor meetings to hold all the new jewels and come to Estonia and I would probably be raptured. The glory of the Lord, the glory of the Lord. God has promised. His word is true. But there is 1 problem. I believe every word I said. Until you come what I call; I want you to listen closely to this, It is a kind of faith. It is a kind of faith that men of God in the Bible had. I call it obligating faith. We pray. We fast. And we rid our hearts of sin and claim the righteousness of Christ by faith alone. But along the path there has to be a reckless faith. A faith that has absolute possibility. The word obligate means to demand. An obligating party keeps his word.

When God gives you his word. He obligates Himself; and I have to have an obligating faith. I have to challenge that promise. To say it practically, I have to put God on the spot. I say, God you have to do what you said. I am going to ask largely. I am going to ask for the impossible. You said to ask largely and I am going to do that. I am going to believe that you are obligated to your word. This is what happened with Joshua. He commands the sun and the moon to stand still. Can you imagine his commanders? What did he say? He told the sun to stand still. And the moon to stand. Then said Joshua to the Lord, in the sight of all Israel. Sun stand still, and the moon and the sun stood still and the moon stayed until the people avenged themselves upon their enemies. And then the sun stood still for one whole day. And there was no daylight before or after that the Lord harken to the voice of a man. It was in the Bible, Elijah on mount Carmel, he covers the altar with 12 barrels of water. He had commanded the heavens to be shut. Don't rain except on my word. He obligated God, a man of like passion. A man just like us. And he says, fire fall from heaven. And that fire be God. It is in the Bible. Everywhere God has answered the prayers.

Everywhere prophecies have been fulfilled. You will find people who are behind the scenes, speaking the word in prayer. Obligating God. Are you ready to believe God for the impossible? God said "I am going to do a new thing" He said It has never been done before. I know He said that people are saying that I am not answering. But He said the time comes. I declare, I am going to do a new thing. The things that are in the past, I am going to do a new thing. The only thing lacking, the only thing that can hinder is a lack of powerful faith. Stepping out in faith. I hear you calling. God can move in my town. God can move in my country. God can move in my city. God can move in my family. I am going to reach out and touch God and He's made me a promise. I have delivered my soul. In just a minute I am going to have you stand. We are going to step out in obligating faith. Say, God there is a godly principle that you have given us. A specific word from God. And I am not leaving this place until my faith is released. And I believe God for the impossible.

I am going to ask you to pray for 2 things . Pray for your country and a great moving of the Holy Spirit. And that God will fulfill this prophetic word. And raise up these strangers and aliens with a gospel call upon their hearts.

I was anticipating having to cancel coming here. My wife is very sick. I am going to have to finish the day tomorrow. But you see I am preaching obligating faith. I am telling you to believe for the impossible. And I am going to have to take a stand here now. Tell God and tell the devil, I am going to believe God to raise up my wife. She has had 24 operations, 5 for cancer. She is in great need. I am going to ask you for your prayers also. That God would reach down. Otherwise I am going to have to cancel all the other conferences. And I believe in the prayers of God's people. I am not asking for sympathy. I am asking for obligating faith. It is our personal prayer.

As we close out this message, Is that God will honor His word. His will for the sake of His own name. He will send the glory. Raise up churches and save a multitude. He said It is also an acceptable day. The beginning of that day when God is going to keep His word and answer the prayers of His people.

Please stand. I would like you to raise your hands and pray like you have never prayed before. I want you to pray in faith. God move in this land!
